

JLK Technical Sales

About Us

JLK Technical Sales is a Manufacturers Representative organization marketing electronic and electromechanical components.

We began operations in 1988 and through a continuing process of partnering with customers and vendors we have continued to experience a steady growth in our sales volume and market penetration.

Primary market territory is generally, but not limited to Minnesota, North Dakota, South Dakota, and Western Wisconsin.

Primary markets covered are consumer and industrial OEM manufacturers with heavy emphasis in the medical, agricultural, alarm, and security markets.

Our modern office is located in Apple Valley, Minnesota. We utilize electronic data processing, facsimile, e-mail, Internet, and wireless communications to remain accessible to customers, and vendors.

JLK Technical Sales Mission Statement:

- Sell to the needs of the customer.
- Make the product "Easy to Buy".
- Maintain a friendly and professional relationship with Customers and Vendors.

Please contact us if we can be of any assistance, or if you have any questions or comments.

Thank You,
Jim Kriesel - President
